20a. How does the Committee accomplish its purpose?

The purpose of the Committee is to assist in the development and implementation of a comprehensive management plan for the Wekiva River System and provide advice to the Secretary in carrying out the management responsibilities of the Secretary under the Wekiva Wild and Scenic River Act (16 U.S.C. 1274).

20b. How does the Committee balance its membership?

As prescribed by the enabling legislation, the 18-member Committee is comprised of representatives from various agencies and organizations specifically named in the legislation spanning three counties. Since the Committee was formed, there was a unanimous vote to include representatives from The Nature Conservancy to join the Committee.

20c. How frequent and relevant are the Committee Meetings?

The Committee meets approximately four to six times a year or more to discuss implementation projects relative to the comprehensive management plan and issues relevant to the Wekiva River System.

20d. Why can't the advice or information this committee provides be obtained elsewhere?

The Committee is to assist in the development of the comprehensive management plan for the Wekiva River System and provide advice to the Secretary in carrying out the management responsibilities of the Secretary under the Wild and Scenic River Act (16 U.S.C. 1274)

20e. Why is it necessary to close and/or partially closed committee meetings?

Meetings are always open.

21. Remarks

The General Management Plan was completed in May 2012, and the Committee is now advising on the implementation of the Plan.

Designated Federal Officer

Jaime Doubek-Racine Community Planner, Rivers Trails, and Conservation Assistance Program

Narrative Description

The Committee will advise the agency on the implementation of the comprehensive river management plan. Through cooperative effort among several agencies and organizations, the Committee will advise in the development, planning and implementation of management plan actions which will allow for the continued preservation and enhanced recreational opportunities of the Wekiva River System, without any further degradation of the resource, for future generations to enjoy. The Committee is implementing actions of the Comprehensive River Management Plan which was finalized on May 17, 2012.

What is the approximate Number of recommendations produced by this committee for the life of the committee?

40

Number of Recommendations Comments

The Committee met twice in FY 2018, and had 4 recommendations. Committee Recommendations included: Review and Approval of final scope of the User Capacity Study. Finalize and advertise position of the River Ambassador for education and outreach activities. Implement a stormdrain stenciling program. Develop and Print a Black Water Creed Paddling Trail Guide for outdoor recreation. The Committee met twice in FY 2017, and had 4 recommendations. Committee Recommendations: NPS will coordinate with partners to: 1. develop scope of work for User Capacity Study for the Wekiva River; 2. Conduct User Capacity Study for the Wekiva River (after final scope is developed); 3. develop River Ambassador position description (education and outreach duties); and 4. advertise for River Ambassador (position) for the Wekiva River. In 2016, the Committee did meet in November 2015 and March 2016 and made several recommendations. For the

remainder of 2016, all member appointments needed to be updated so information was gathered for new appointments and renewal appointments. The Committee plans on meeting in 2017. In 2016, the Committee had several new recommendations from the strategic planning meeting held in November 2015. The Committee recommended the continuation of funding the River Ambassador position for developing and implementing education, and outreach programs to benefit the Wekiva Wild and Scenic River System. The Committee recommended the updating of the Wekiva Wild and Scenic River website. As well as the following recommendations for FY17: Develop New Cooperative Agreement between NPS and FOWR, Inc. Develop New Wekiva Wild & Scenic Powerpoint for River Ambassador public presentations Develop Wekiva Wild and Scenic River Partnership Success Report Coordinate Signage meeting with FDOT AND County Transportation Depts. to implement Wild and Scenic logo on roadways within central Florida providing branding and access to the Wekiva Wild and Scenic River Complete Development, Manufacturing and Installation of Wekiva Kiosks and Educational Panels (with destination signs at launch areas) Coordinate Wekiva Event (Kiosks and Panels Dedication) for the NPS Centennial Committee Chair and NPS to attend the Partnership W&S Rivers Meeting in 2017 River Ambassador to coordinate presentations to the local govt's Establish Monitoring to ensure protection of the ORV's. Fund studies or projects to accomplish this action. Implement the Wekiva Bear Brigade for areawide elementary school education Develop Application seeking Wekiva River designation as a national water trail River Ambassador to develop and implement Recon Training for canoe (volunteers) Implement River Ambassador priorities (canoe and learn) Develop and launch bear awareness educational PSA's Outreach Develop Mission/Vision Statement for the Committee Update and fill committee vacancies Letter from the Chair of the Committee to the Partnership Coalition with Amendment to Management Plan Based on Committee recommendations from the 2016, several projects were completed. These projects were directly related to actions and goals stated within the Wekiva Wild and Scenic River Comprehensive Management Plan. These included: the Wekiva Black Bear Study and the Wekiva educational kiosks, which will be installed in 2016. The Committee continued to develop implementation projects which further enhance the ORV's based on the Wekiva Wild and Scenic River Comprehensive River Management Plan which was dedicated on May 17, 2012. The Committee is developing and implementing several projects: 1) The continued funding of the Wekiva River System Management River Ambassador to conduct education and outreach programs relative to the Wekiva Wild and Scenic River System. 2) the Committee coordinating a strategic planning meeting to prioritize projects and programs for 2017. 3) the Committee completed the design of 29 educational panels for display in areawide river launch areas along with the manufacturing of kiosks to display the panels.
